ONE-STOP SERVICE

Cosfarm will continue to strive for greater heights.

1.1 CEO Message

Since its establishment in 2017, Cosfarm has grown as a company centered on the ideology of ethical management.

We strive to become a specialized company in the health functional food manufacturing field and make the following commitments.

Cosfarm aims to be a company that quickly identifies customer needs and prepares accordingly.

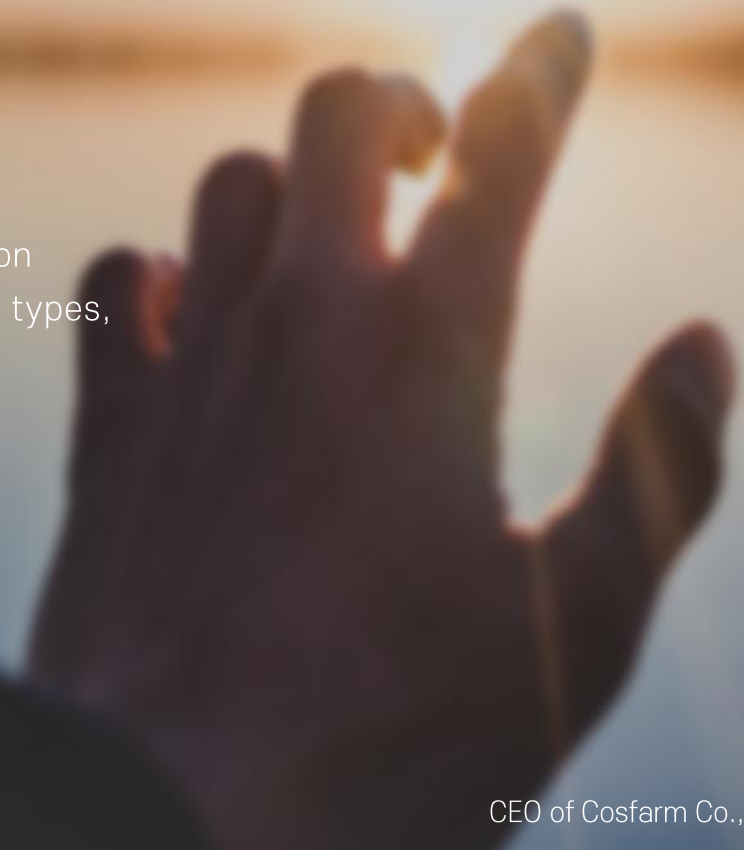

We strive to be a company that provides the highest level of satisfaction to consumers through a variety of product formulations and packaging types, taking into consideration the properties of functional ingredients and customer needs, and to achieve mutual growth with our partners.

We will continue to improve and refine our existing products to create products that our customers can trust.

We ask for your encouragement for our future efforts, and we hope you will continue to watch our company grow.

Thank you.

CEO of Cosfarm Co., Ltd.

A hand is shown in silhouette, reaching upwards with fingers slightly spread, set against a bright, hazy background that suggests a sunrise or sunset over a body of water. The lighting is soft and warm, creating a sense of aspiration and growth.
